

Annual Report

Session 2015-16

Town Hall, Gandhinagar.

29th November, 2015.

Good morning to everybody present over here.

Honorable chief guest, C.E.O. Mr. Kartik Patel, Mrs. Jigna Kartik Patel the Managing Trustee of School, Mrs. Khyati and Mr. Radheshyam Lodh the administrator, respected principals of Amrut Higher Secondary School, Amrut Primary School, Amrut Indian School, Amrut Ninos, Khyati Foundation.

On the grand occasion of FACS - the Annual Parents Day, I welcome you all on behalf of the management. This year the title for Firdaunian's Annual Parents Day is "ESSENCE OF DIVERSITY" which will express the talents of my students and staff. The Annual Parents Day is not only day which brings out the best from the kids and even the teachers. This day serves as a chance to correct and edit, too.

The unturned stones are revealed on this particular day. We are grateful to all the people who contributed to a four years of successful journey of the school after the CBSE Affiliation. "A journey of the thousand miles, begins with a single step."

During the year, we tried to touch the sky, keeping our sole motto which is "Good Thoughts Good Words Good Deeds." Our school not only believes in academic growth of the students but we really try hard to shape the multifaceted personalities. Rabindranath Tagore rightly said, "True education bring out the best from the kid and helps him become a genuinely true citizen."

At class level, we have a huge number of activities which train the kids by giving various experiences and they also learn to express. We keep regularly in touch with the parents in order to help the child grow and to inspire him on the path of honesty, truth and goodness. The school is well-equipped with latest technical devices and programmes like SMART CLASS ROOMS by Educomp. Various literary and fine-arts activities are held according to the CCE in order to provide the students with the right forum to bring out their talents and skills. In the past years of its journey, the institute has risen beyond all the expectations and the volume of the quality is reflected in its ongoing journey of success in every sphere. We moving ahead with strengths, trying our best to examine the weak points and drawbacks through a birds' eye view. An honest, conscious and moral effort is continuously being made by the wonderful team of the

teachers, incharges and co-ordinators to bring about the all over and complete development in the children. "Recognition of one's effort can make a day, even change a life."

We humbly thank the management to provide us with all the equipments to fight the battle of change and the parents for rendering their kind support and love. The school feels a high sense of humility and pride to thank all who contributed to its success.

In order to all round development, work experience and challenge to create in students, FACS organized the following activities throughout session 2015-16.
